Support Students in your Community

Giving Day serves as a reminder that everyone has something to offer. It's an opportunity to amplify the spirit of generosity and foster a culture of giving that lasts beyond just one day.

This year's Giving Day will focus on critical funds and awareness for healthcare programs that serve our region. Your support helps prepare skilled healthcare professionals, expand hands-on learning opportunities, and address the growing healthcare needs of our campus communities.

How to participate in NLC's Giving Day

- **Give:** Ready to give? Donate today through our website!
- **Share:** Spread the word!
